

ID: 202045096

Company: Wide World Importers

Location: New York City

Event: Struck by falling object or equipment, n.e.c.

Event Date: June 3, 2022

Nature: Fractures

Final Narrative	Hospitalized	Amputation	Part Of Body	Source
An employee working in the prepared food area was rolling a cart loaded with food from a walk-in cooler when the cart tipped over and landed on her left leg fracturing it in multiple places. She was hospitalized for surgery to repair the injuries to her leg.	1	0	Multiple leg locations, unspecified	Cart, dolly, hand truck-nonpowered
