**Nature:** Trauma

| Final Narrative  | Hospitalized | Amputation | Part Of Body    | Source       |
|--|--------------|------------|-----------------|--------------|
| An employee climbed a closed stepladder that was leaning against a wall. He was carrying a trash can to put it up onto a storage mezzanine. As he swung the can up and released it, it struck the building, ricocheted back into him, and knocked him off the ladder to the floor. | 1            | 0          | Nonclassifiable | Step ladders |
