

ID: 202045083

Company: Wide World Importers

Location: San Diego

Event: Struck against moving part of machinery or equipment

Event Date: May 13, 2022

Nature: Amputations

Final Narrative	Hospitalized	Amputation	Part Of Body	Source
An employee was cutting pork on a meat cutting bandsaw in the meat department of the store. While he was cutting the pork, he looked up and cut his right ring fingertip and fractured his middle finger. The bandsaw had a guard in place at the time of the incident.	1	1	Fingertip(s)	Butchering machinery
